PK 1X-X2	The home team wins or a draw at half time and the away team wins or a draw at the match
PK 12-1X	The home or away team wins in the first half and the home team wins or draw in the match
PK 12-12	The home or away team wins the first half and the home or away team wins the match
PK 12-X2	The home or away team wins the first half and the away team wins or draw in the match
PK X2-1X	The away team wins or draws in the first half and the home team wins or draws in the match
PK X2-12	The away team wins or draw in the first half and the home or away tea win the match
PK X2-X2	The away team wins or draw in the first half and the away team wins or draw in the match
PK 1X-1	The home team wins or a draw in the first half and the home team wins the match
PK 1X-X	The home team wins or a draw in the first half or a draw in the match
PK 1X-2	The home team wins or a draw in the first half and the away team wins the match
PK 12-1	The home or away team wins the first half and the home team wins the match
PK 12-X	The home team or the away team wins the first half and the match is tied
PK 12-2	The home team or away team wins the first half and the away team wins the match
PK X2-1	The away team wins or draw in the first half and home team wins the match
PK X2-X	The away team wins or a draw in the first half and the match is tied
PK X2-2	The away team wins or a draw in the first half and the away team wins the match
PK 1-1X	The home team wins the first half and the home team wins or the match is tied
PK 1-12	The home team wins the first half and the home team or the away team wins the match
PK 1-X2	The home team wins in the first half, the away team wins or the match is tied
PK X-1X	A draw in the first half and the home team wins or a draw in the match
PK X-12	A draw in the first half and the home or away team wins the match
PK X-X2	A draw in the first half and the away team wins or the match is tied
PK 2-1X	The away team wins the first half and the home team wins or the match is tied
PK 2-12	The away team wins the first half and the home or away team wins the match

PK 2-X2	The away team wins the first half and the away team wins or the match is tied
Double win	
DP 1	The home team wins both halves
DP 2	The away team wins both halves
Handicap win (HP)	
HP1	The home team wins with at least 2 goal difference in the match
HP2	The way team wins with at least 2 goal difference in the match
Handicap win (HH)	
HH1	The home team wins with at least 2 goal difference in the match
HH2	The away team wins with at least 2 goal difference in the match
The first to score	
PG 1	The home team scores the first goal of the match
PG 2	The away team scores the first goal of the match
I half: The first to score	
Ipol PG 1	The home team scores the first goal in the first half
Ipol PG 2	The away team scores the first goal in the first half
Super win	
SP 1	The home team wins and the away team does not score a goal in the match
SP 2	The away team wins and the home team does not score a goal in the match
X no bet	
XNB 1	The home team wins, and in the event of a tie, odds of 1.00 are calculated
XNB 2	The away team wins, and in the event of a tie, odds of 1.00 are calculated
Advanced for the next round	
PD 1	The home team advances to the next round of the competition
PD 2	The away team advances to the next round of the competition
Total number of goals	
UG 0-1	The total number of goals will be at most 1 per match
UG 0-2	The total number of goals will be at most 2 in the match
UG 0-3	The total number of goals will be at most 3 in the match
UG 0-4	The total number of goals will be at most 4 in the match
UG 1	The total number of goals will be correctly 1 in the match
UG 1+	The total number of goals will be at least 1 in the match
UG 1-2	The total number of goals will be 1 or 2 in the match

UG 1-3	The total number of goals will be 1, 2 or 3 in the match
UG 1-4	The total number of goals will be 1, 2, 3 or 4 in the match
UG 1-5	The total number of goals will be 1, 2, 3, 4 or 5 in the match
UG 1-6	The total number of goals will be 1, 2, 3, 4, 5 or 6 in the match
UG 2	The total number of goals will be correctly 1 in the match
UG 2+	The total number of goals will be at least 2 in the match
UG 2-3	The total number of goals will be 2 or 3 in the match
UG 2-4	The total number of goals will be 2, 3 or 4 in the match
UG 2-5	The total number of goals will be 2, 3, 4 or 5 in the match
UG 2-6	The total number of goals will be 2, 3, 4, 5 or 6 in the match
UG 3	The total number of goals will be correctly 3 in the match
UG 3+	The total number of goals will be at least 3 in the match
UG 3-4	The total number of goals will be at least 3 in the match
UG 3-5	The total number of goals will be 3, 4 or 5 in the match
UG 3-6	The total number of goals will be 3, 4, 5 or 6 in the match
UG 4	The total number of goals will be correctly 4 in the match
UG 4+	The total number of goals will be at least 4 in the match
UG 4-5	The total number of goals will be 4 or 5 in the match
UG 4-6	The total number of goals will be 4, 5 or 6 in the match
UG 5	The total number of goals will be correctly 5 in the match
UG 5+	The total number of goals will be at least 5 in the match
UG 6+	The total number of goals will be at least 6 in the match
UG 7+	The total number of goals will be at least 7 in the match
I half, total number of goals	
UG 10	No goals in the first half
UG 10-1	The total number of goals will be at most 1 in the first half
UG 10-2	The total number of goals will be at most 2 in the first half
UG 11	The total number of goals will be correctly 1 in the first half
UG 11+	The total number of goals will be at least 1 in the first half
UG 11-2	The total number of goals will be 1 or 2 in the first half
UG 11-3	The total number of goals will be 1, 2 or 3 in the first half
UG 12	The total number of goals will be correctly 2 in the first half

UG I2+	The total number of goals will be at least 2 in the first half
UG I2-3	The total number of goals will be 2 or 3 in the first half
UG I3	The total number of goals will be correctly 3 in the first half
UG I3+	The total number of goals will be at least 3 in the first half
UG I4+	The total number of goals will be at least 4 in the first half
II half, total number of goals	
UG II0	No goals in the second half
UG II0-1	The total number of goals will be at most 1 in the second half
UG II0-2	The total number of goals will be at most 2 in the second half
UG II1	The total number of goals will be correctly 1 in the second half
UG II1+	The total number of goals will be at least 1 in the second half
UG II1-2	The total number of goals will be 1 or 2 in the second half
UG II1-3	The total number of goals will be 1, 2 or 3 in the second half
UG II2	The total number of goals will be correctly 2 in the second half
UG II2+	The total number of goals will be at least 2 in the second half
UG II2-3	The total number of goals will be 2 or 3 in the second half
UG II3	The total number of goals will be correctly 3 in the second half
UG II3+	The total number of goals will be at least 3 in the second half
UG II4+	The total number of goals will be at least 4 in the second half
More goals are scored	
VG I>II	More goals will be scored in the first half than in the second half
VG I=II	The same number of goals will be scored in the first and second half
VG I<II	Fewer goals will be scored in the first half than in the second half
Total combination of goals	
I0-1&II0-1	The total number of goals will be at most 1 in the first half and at most 1 in the second half
I0-1&II0-2	The total number of goals will be at most 1 in the first half and at most 2 in the second half
I0-1&II0-3	The total number of goals will be at most 1 in the first half and at most 3 in the second half
I0-2&II0-1	The total number of goals will be at most 2 in the first half and at most 1 in the second half
I0-2&II0-2	The total number of goals will be at most 2 in the first half and at most 2 in the second half

I0-2&I10-3	The total number of goals will be at most 2 in the first half and at most 3 in the second half
I1+&I1+	The total number of goals will be at least 1 in the first half and at least 1 in the second half
I1+&I2+	The total number of goals will be at least 1 in the first half and at least 2 in the second half
I1+&I3+	The total number of goals will be at least 1 in the first half and at least 3 in the second half
I1-2&I1-2	The total number of goals will be 1 or 2 in the first half and 1 or 2 in the second half
I1-3&I1-3	The total number of goals will be 1, 2 or 3 in the first half and 1, 2 or 3 in the second half
I2+&I1+	The total number of goals will be at least 2 in the first half and at least 1 in the second half
I2+&I2+	The total number of goals will be at least 2 in the first half and at least 2 in the second half
I2+&I3+	The total number of goals will be at least 2 in the first half and at least 3 in the second half
I1+&2+	The total number of goals will be at least 1 in the first half and at least 2 in the match
I1+&3+	The total number of goals will be at least 1 in the first half and at least 3 in the match
I1-2&3+	The total number of goals will be 1 or 2 in the first half and at least 3 in the match
I1-2&4+	The total number of goals will be 1 or 2 in the first half and at least 4 in the match
I2+&3+	The total number of goals will be at least 2 in the first half and at least 3 in the match
I2+&4+	The total number of goals will be at least 2 in the first half and at least 4 in the match
Home team total goals	
D 0	The home team does not score a goal in the match
D 0-1	The home team scores at most 1 goal per match
D 0-2	The home team scores at most 2 goals per match
D 0-3	The home team scores at most 3 goals per match
D 1+	The home team scores at least 1 goal in the match
D 1-2	The home team scores 1 or 2 goals in the match
D 1-3	The home team scores 1, 2 or 3 goals in the match
D 2+	The home team scores at least 2 goals in the match

D 2-3	The home team scores 2 or 3 goals in the match
D 2-4	The home team scores 2, 3 or 4 goals in the match
D 3+	The home team scores at least 3 goals in the match
D 4+	The home team scores at least 4 goals in the match
I halftime, home team total goals	
D I0	The home team does not score a goal in the first half
D I0-1	The home team scores at most 1 goal in the first half
D I1+	The home team scores at least 1 goal in the first half
D I1	The home team scores correctly 1 goal in the first half
D I1-2	The home team scores 1 or 2 goals in the first half
D I2+	The home team scores at least 2 goals in the first half
D I3+	The home team scores at least 3 goals in the first half
II halftime, home team total goals	
D II0	The home team does not score a goal in the second half
D II0-1	The home team scores at most 1 goal in the second half
D II1+	The home team scores at least 1 goal in the second half
D II1	The home team scores correctly 1 goal in the second half
D II1-2	The home team scores 1 or 2 goals in the second half
D II2+	The home team scores at least 2 goals in the second half
D II3+	The home team scores at least 3 goals in the second half
Home team, total combination of goals	
D I0-1&II0-1	The home team scores at most 1 goal in the first half and at most 1 goal in the second half
D I0-1&II0-2	The home team scores at most 1 goal in the first half and at most 2 goals in the second half
D I0-2&II0-1	The home team scores at most 2 goals in the first half and at most 1 goal in the second half
D I0-2&II0-2	The home team scores at most 2 goals in the first half and at most 2 goals in the second half
D I1+&II1+	The home team scores at least 1 goal in the first half and at least 1 goal in the second half
D I1+&II2+	The home team scores at least 1 goal in the first half and at least 2 goals in the second half
D I2+&II1+	The home team scores at least 2 goals in the first half and at least 1 goal in the

second half

- D I2+&II2+ The home team scores at least 2 goals in the first half and at least 2 goals in the second half
- D I1+&2+ The home team scores at least 1 goal in the first half and at least 2 goals in the match
- D I1+&3+ The home team scores at least 1 goal in the first half and at least 2 goals in the match
- D I2+&3+ The home team scores at least 2 goals in the first half and at least 3 goals in the match

The away team total goals

- G 0 The away team does not score a goal in the match
- G 0-1 The away team scores at most 1 goal in the match
- G 0-2 The away team scores at most 2 goals in the match
- G 0-3 The away team scores at most 3 goals in the match
- G 1+ The away team scores at least 1 goal in the match
- G 1-2 The away team scores 1 or 2 goals in the match
- G 1-3 The away team scores 1, 2 or 3 goals in the match
- G 2+ The away team scores at least 2 goals in the match
- G 2-3 The away team scores 2 or 3 goals in the match
- G 2-4 The away team scores 2, 3 or 4 goals in the match
- G 3+ The away team scores at least 3 goals in the match
- G 4+ The away team scores at least 4 goals in the match

I halftime, the away team total goals

- G I0 The away team does not score a goal in the first half
- G I0-1 The away team scores at most 1 goal in the first half
- G I1+ The away team scores at least 1 goal in the first half
- G I1 The away team scores correctly 1 goal in the first half
- G I1-2 The away team scores 1 or 2 goals in the first half
- G I2+ The away team scores at least 2 goals in the first half
- G I3+ The away team scores at least 3 goals in the first half

II halftime, the away team total goals

- G II0 The away team does not score a goal in the second half
- G II0-1 The away team scores at most 1 goal in the second half

G I1+	The away team scores at least 1 goal in the second half
G I1	The away team scores correctly 1 goal in the second half
G I1-2	The away team scores 1 or 2 goals in the second half
G I2+	The away team scores at least 2 goals in the second half
G I3+	The away team scores at least 3 goals in the second half
The away team total combination of goals	
G I0-1&I10-1	The away team scores at most 1 goal in the first half and at most 1 goal in the second half
G I0-1&I10-2	The away team scores at most of 1 goal in the first half and at most 2 goals in the second half
G I0-2&I10-1	The away team scores at most 2 goals in the first half and at most 1 goal in the second half
G I0-2&I10-2	The away team scores at most 2 goals in the first half and at most 2 goals in the second half
G I1+&I11+	The away team scores at least 1 goal in the first half and at least 1 goal in the second half
G I1+&I12+	The away team scores at least 1 goal in the first half and at least 2 goals in the second half
G I2+&I11+	The away team scores at least 2 goals in the first half and at least 1 goal in the second half
G I2+&I12+	The away team scores 2 or more goals in the first half and 2 or more goals in the second half
G I1+&2+	The away team scores at least 1 goal in the first half and at least 2 goals in the match
G I1+&3+	The away team scores at least 1 goal in the first half and at least 3 goals in the match
G I2+&3+	The away team scores at least 2 goals in the first half and at least 3 goals in the match
Both teams score	
GG	Both teams score a minimum of one goal per match
NG	At least one team does not score a goal in the match
2GG	Both teams score a minimum of 2 goals per match
2NG	At least one team does not score 2 goals in the match
IGG	Both teams score a minimum of one goal in the first half
ING	At least one team does not score in the first half
IIGG	Both teams score at least 1 goal in the second half

IING	At least one team does not score in the second half
ING&IING	At least one team does not score in the first half and does not score in the second half
ING&IIGG	At least one team does not score in the first half and both teams score at least one goal each in the second half
IGG&IING	Both teams score at least one goal in the first half and at least one team does not score in the second half
IGG&IIGG	Both teams score at least 1 goal in the first and second half

#### Soccer combinations

GG&3+	Both teams score at least 1 goal and the total number of goals will be at least 3 in the match
GG&2-3	Both teams score at least 1 goal and the total number of goals will be 2 or 3 in the match
GG&4+	Both teams score at least 1 goal and the total number of goals will be at least 4 in the match
GG&I1+	Both teams score at least 1 goal each and the total number of goals will be at least 1 in the first half
GG&I1-2	Both teams score at least 1 goal each and the total number of goals will be 1 or 2 in the first half
GG&I2+	Both teams score at least 1 goal each and the total number of goals will be at least 2 in the first half
GG&II1+	Both teams score at least 1 goal each and the total number of goals will be at least 1 in the second half
GG&II2+	Both teams score at least 1 goal each and the total number of goals will be at least 2 in the second half
GG&I1+II1+	Both teams score at least 1 goal and the total number of goals will be at least 1 in the first half and at least 1 in the second half
GG&D2+	Both teams score at least 1 goal each and the home team scores at least 2 goals in the match

Corner outcome	
kor 1	The home team scores more corners in the match
kor X	The home team and the away team score the same number of corners in the match
kor 2	The away team scores more corners in the match
First halftime, corner outcome	
Ip kor 1	The home team scores more corners in the first half
Ip kor X	The host and away team score the same number of corners in the first half
Ip kor 2	The away team scores several corners in the first half
Total corners	
kor  -	The total number of corners will be lower than the set limit in the match
kor  +	The total number of corners will be higher than the set limit for the match
First halftime, total corners	
Ip kor D -	The total number of corners will be lower than the set limit in the first half
Ip kor D +	The total number of corners will be higher than the set limit in the first half
The home team total corners	
kor D -	The home team scores fewer corners than the set limit in the match
kor D +	The home team scores more corners than the set limit in the match
The away team total corners	
kor G -	The away team scores fewer corners than the set limit in the match
kor G +	The away team scores more corners than the set limit in the match
First halftime, the home team total corners	

lp kor D -	The home team scores fewer corners than the set limit in the match
lp kor D +	The home team scores more corners than the set limit in the match
First halftime, the away team total corners	
lp kor G -	The away team scores fewer corners than the set limit in the match
lp kor G +	The away team scores more corners than the set limit in the match
Cards outcome	
krt 1	The home team gets more cards in the match
krt X	The host and away team get the same number of cards in the match
krt 2	The away team gets more cards in the match
Total cards	
krt -	The total number of cards will be lower than the match limit
krt +	The total number of cards will be higher than the set limit for the match
First half total cards	
lp krt D -	The total number of cards will be lower than the set limit in the first half
lp krt D +	The total number of cards will be higher than the set limit in the first half
The home team total cards	
krt D -	The home team gets fewer cards than the set limit in the match
krt D +	The home team gets more cards than the set limit in the match
The away team total cards	
krt G -	The away team gets fewer cards than the set limit in the match
krt G +	The away team gets more cards than the set limit in the match
First half, the home team total cards	
lp krt D -	The home team gets fewer cards than the set limit in the first half
lp krt D +	The home team gets more cards than the set limit in the first half
First half, the away team total cards	
lp krt G -	The away team scores fewer cards than the set limit in the first half
lp krt G +	The away team scores more cards than the set limit in the first half

Note:

The following rules of calculation apply to all bets on card games:

- One player – one yellow card is calculated as one (1) point
- One player – one red card is calculated as two (2) points

- One player – one yellow and one red card are calculated as three (3) points

- One player - two yellow and one red card are calculated as three (3) points

Overtime outcome

prod 1                      The home team wins in overtime

prod X                      A tie in overtime

prod 2                      The away team wins in overtime

Total goals in overtime

prod |-|                    The total number of goals will be lower than the set limit in overtime

prod |+|                    The total number of goals will be higher than the set limit in overtime

The rest of the overtime

ost prod 1                 The home team wins the rest of the overtime

ost prod X                 A tie for the rest of overtime

ost prod 2                 The away team wins the rest of the overtime

The next goal in overtime

prod SG 1                 The home team scores the next goal in overtime

prod SG 1                 No next goal in overtime

prod SG 2                 The away team scores the next goal in overtime

Advance to the next round

prolaz reg 1               The home team advances to the next round of the competition (wins the competition) after the regular part of the match
